

BETHESDA CHILD OF THE MONTH

March 2008

Stephen -

Stephen joined the Shikwambane family at Bethesda in December 2007. He arrived with his sister Maria after being neglected in his parent's home. Maria and Stephen were placed at a different child care facility but it became apparent that they needed better care. Their foster care worker knew of Bethesda and they were soon placed in our care.

Stephen has adjusted well to his new family. He loves to play in the house and on the playground as well as ride bikes. He enjoys helping around the house as well! Stephen is quick to laugh with his family, though sometimes he is quite serious. His parents appreciate Stephen's light hearted and playful personality!

Stephen

Stephen is the youngest in his new family. He just celebrated his sixth birthday. His birthday fell on a school day and he was quite excited to celebrate with his new friends in his Grade R class.

At home, Stephen is learning to use proper language and to speak properly and respectfully at home. Please pray for Fritz and Masello Shikwambane as they seek to teach Stephen Truth and see him grow to be a young man after God's heart. Pray that Stephen will accept Christ as His Savior at an early age!
