

BETHESDA CHILD OF THE MONTH

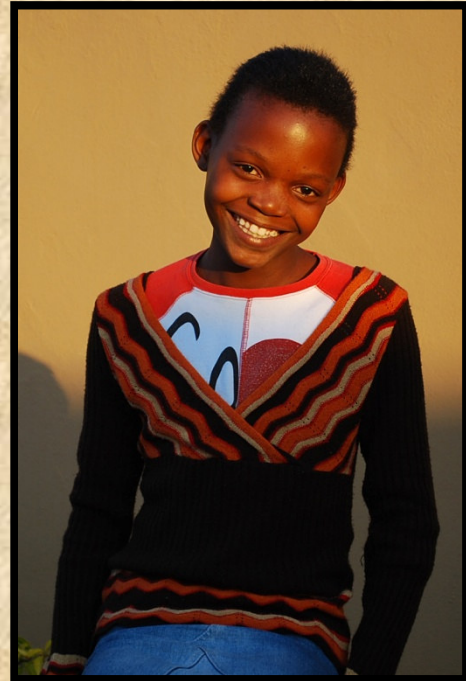

September 2009

We'd like to introduce Julia, one of the newest members of the Bethesda family. She and her sisters, Lebo and Thembi, were placed into Bethesda's care in June 2009. They joined the Sithole family and Julia has quickly fit in and become a part of the family as the second oldest in the home.

George and Florah have said that Julia is a very good helper in the family. She is faithful to assist her mother clean the house, and often does the dishes at home. She is also quick to help with other things she sees that need to be done around the property.

Although Julia has a serious personality and does not take things for granted, she can be full of giggles if you catch her at the right moment. She can be just as quick to tears as well and this is one of the areas in which her mom and dad are helping her to grow.

Julia enjoys playing outside and especially enjoys playing netball in her free time.

Julia

Her parents appreciate Julia's quick understanding of new things. She has been blessed with a sharp mind and usually has an easy time understanding new concepts.

You can join Julia and her parents by praying that God will help her to overcome her stubbornness toward her parents. She can struggle with obedience and doing what she's told with the proper attitude.

Also, please pray for her spiritual growth and understanding of the gospel as well as thanking God with us for this serious, yet smiley young girl that God has placed into the Sithole home.
