

CHILD of the MONTH

April 2017 O. M.

May 2017 L. M.

This sweet girl is in her first months of living at Bethesda. Overall, she has adjusted very well and enjoys playing with toys, singing around the house and coloring. She has also had the chance to go to our crèche and like participating in all the activities. She also loves to model her new clothes whenever she gets them.

She likes to make people laugh, and is generally a very happy girl, full of giggles, and not reserved at all. She is working hard to make her bed each day, and is quite independent for her young age. She is also starting to memorize verses which will help her as she learns about who Jesus is and how much He loves her. It is also helping her learn English faster.

You can pray for her that she will continue to learn and understand English. She finds it difficult but she tries which is very important. She sometimes struggles to be gentle with children and needs to work on this. Her mom has asked that you pray that she will keep settling in at their home as it is evident that she misses her other home. It's not easy to be uprooted at such a young age. We would also ask that you pray for her to grow in her understanding of English and that her knowledge of God and the Bible will continue to increase.

Please Pray that:

She will learn and understand English well

She will be gentle and grow in her knowledge of God

L is in her first year of school and thoroughly enjoys Grade R (Kindergarten) this year with her teacher, Miss Johannah (one of our Bethesda graduates). She has had to adjust to new houseparents in the last few months but has done very well. She is quite determined to do her school work correctly and is starting to grow in confidence. She loves to play outside with her dolls and really loves her friend, Z. She likes to say her memory verses to people and is always on the lookout for opportunities to make her new housefather laugh!

Overall, L is a quiet girl who wants to tell the truth or find out the truth about something that she doesn't understand. She is not one to hide information and honesty is one of her strengths.

Her mom has asked that we pray that she will continue to grow in confidence whether that is in her school work or in the way she interacts with people at home or at church. She would also like to see L continue to grow in her understanding of what the Bible says so that she can know and love God more.

Please Pray that:

She will grow in her confidence at school and with people

She will increase in her understanding of the Bible
