It's Easter Season! Often this is a busy time of the year for everyone with lots of travel and events. When last did you take time as a family to read the reason we celebrate this season? I would like to challenge you as a family to read through the Easter story this season and be reminded. The Easter story can be read in 4 different books of the Bible: Matthew 26-28, Mark 14-16, Luke 22-24, and John 14-21.
