

## CHILD OF THE MONTH APRIL 2019 D.M.

DM is 12 years old and currently in Grade 5. She enjoys helping out in her house as well as playing outside with her friends. She especially enjoys playing netball. She is quickly moving into her teen years and all the challenges that will bring. She can be very kind and loving when she wants to be and her mom also says that she is good about sharing with others.

When D is in a group of children younger than her or with her peers, she naturally takes charge and has the potential to be a good leader as others happily follow. She is very talkative and especially enjoys chatting with her friends and family. She is a bit quieter when she is first getting to know people.

Her parents would ask that you first pray for her salvation as only God can transform her heart and turn her into a beautiful woman both inside and out. They would also ask that you pray that she will commit to being honest in all things and be more willing to show people her kind heart. Thank you for your prayers!

### Please pray for D

- To understand and accept by faith the truths of the Gospel.
- To be honest in all that she says and does

## CHILD OF THE MONTH MAY 2019 A.T.

### Please pray for A

- To grow in his knowledge and love for God
- To be more focused on his academics

A is 15 years and in Grade 10 this year. A has many skills and interests but is a bit of an introvert and doesn't mind being by himself or entertaining himself with a good movie or working in the garden. He enjoys helping people at church and is very helpful in the kitchen. He enjoys fixing things around the house as well.

A prefers to be where it is quiet and that is not always easy to find in a large family. His parents would ask that you pray for A to be more social and to join in with the other children in various activities. A would also like you to pray that he does better in school and is more focused on his studies.

Please pray for A that he would grow in his understanding of a loving and sovereign God and that if he is not yet a child of God, that he would understand the Gospel and that God will bring him to salvation.
