

CHILD OF THE MONTH

MAY 2020 L.B.

L is 3 years old and has been at Bethesda for just under a year. She is in Temporary Safe Care and doing very well. Her mom says that she loves to sing at church as well as play games with the other children. She also enjoys doing things on her own as she is at the age where she wants to be more independent. She is a very loving child and happy about life.

Her mom laughs at the way she asks for food because she says the exact opposite by saying, "Mama, I full," or "I already ate," which means she's hungry and wants some food.

The children in her home who used to be the youngest are now pretty excited to have a younger sister and enjoy taking care of her. For only being 3, she does very well with making her bed each morning and brushing her teeth without having to be reminded.

She's not nearly as excited about nap time as her mom wishes and that becomes a struggle most days. We would ask that you pray that she would submit to naptime and learn to have more patience overall. Our prayer is also that she will soon have a permanent family situation. We rest in the fact that God loves her and knows her situation and will keep her with us until just the right time.

Please pray for L

- Submit to naptime better and be more patient.
- She will soon have a permanent, stable family situation.

CHILD OF THE MONTH

JUNE 2019 O.M.

Please pray for O

- To grow in obedience
- To understand salvation

As you can see, O has a beautiful and contagious smile! O is one of 7 year old twins who have been at Bethesda for a couple of years now. She has done well adjusting and we are so happy she is here with her siblings. She enjoys playing with the other children very much, loves having a nice sleep or even taking care of some of the other younger children. She is a happy child who is normally full of giggles. She likes to try and play jokes on other people to get them to laugh.

Some of her strengths are that she likes to make friends and does that well. She also likes to wash the dishes which is a great help to her mom. She struggles a bit with school but her siblings and parents keep encouraging and helping her.

She is a typical little girl with the usual troubles with disobedience and having a good attitude sometimes but she is making good progress. Thank you for praying for her as she continues to grow and mature and understand more about the Lord Jesus Christ.
