

Child of the Month

July 2018 G.M.

G is a sweet young lady who is quickly growing into a beautiful woman—both inside and out. She is very comfortable in the kitchen and really likes to cook, just like her older brother. She is not afraid to try new recipes or cook when people come in for a visit. She enjoys school and is quite careful to do her work well. She especially enjoys art classes and being creative. To her mother's delight, she also enjoys cleaning. She loves to joke around and make people laugh but she's most comfortable in a small group of select friends rather than in a large group. She prefers to keep things peaceful and doesn't stir things up if possible.

G is going to school in the community now, so making right choices when the people around her are not saved or share the same Christian values is more difficult. Pray that she will have the willpower to do right when it's not popular. She would also like you to pray that she will praise God and please Him in her life.

G is pretty careful about how she likes things to be done and occasionally gets upset when others don't do things the way she thinks they should be done. Overall, she remains calm and encouraging to others. Pray she will continue to develop her sweet, gentle and kind spirit.

Please pray for G

- Strength to do right even when others do not.
- To praise and please God with her life

Please pray for T

- That he will come to know Christ as his Saviour
- That he will make right choices with regard to his activities and schooling.

Child of the Month

August 2018—T. M.

T is a young man who enjoys a variety of activities such as singing, baking and helping with the chores (most of the time). He is normally a joyful person ready with lots of jokes. He is good at art and enjoys *friendly* dogs. In general, he is not a fan of school or homework and as a result, he is struggling academically this year.

He loves to play outside with his friends and works to get some of the other boys to exercise. He will also try to organise soccer games with as many people as he can put together for a team. He has leadership skills with the other children so pray that he uses those skills positively. He much prefers to be outside doing things with his friends rather than spending time inside.

You can pray for T as he is struggling to make good choices. He sometimes has a short temper and struggles to do right when he is angry. More than anything, He needs to know Christ as his personal Saviour who can change his heart and help him to do right.
