

Child of the Month

October 2018 Z.A.

Z is the youngest of all the children in his home. He is 4 years old and has one more year before he starts school. He's a sweet boy who is outgoing and makes friends very easily. He enjoys helping his mom in the house, and loves to play outside with all the other kids. When he's playing outside, he's a rough and tumble boy who enjoys games, pretend karate and playing hard on the playground. He's very social and enjoys all the other kids in his Sunday school class at church as well.

Even though he is very sociable, he is very settled and enjoys being home with his mom. He is also very helpful and loving to his siblings and friends. He tries to make jokes (although we are sure these will improve with time), and wants to make people laugh. Sometimes, he can get quite upset with people who get into his space or take what he thinks is his. Almost every day he says, "Mommy and Daddy, I love you."

His parents would ask that you pray that he will understand the Gospel and that God will bring him to salvation. They would also ask that you pray that he learns to obey quickly and share with others around him. Thank you for praying for Z.

Please pray for Z

- To understand the Gospel and come to know the Lord as His Savior
- To obey quickly and share more willingly

Please pray for B

- That he will come to know Christ as his Savior
- That he will grow in the area of self-control

Child of the Month

November 2018 B. A.

B is a fun-loving and bubbly young boy who is just finishing up his first year of school. He is doing very well academically and picks up concepts quickly. He has already learned to read and enjoys reading books at home. He likes to color, being at church, making people laugh, giving (and receiving) hugs and playing with friends. He's a little charmer who sometimes gets in trouble for trying to get people to laugh at all the wrong times.

It is normally easy to know what B is thinking as he quickly shows his emotions whether he is happy, sad, giggling, crying, or angry. He reacts to things very quickly and is working to be more self-controlled. Although he enjoys playing outside, he prefers to be in the house and is always back inside after a short period of time. He often makes his Grade R (Kindergarten) teacher laugh and she has to remind him that he needs to let her do her job because he is very eager to jump in with the answers.

You can pray with his parents that he will understand the Gospel, and come to know Christ personally. You can also pray that he will learn to be more self-controlled.
