

My name is R.M. and I have been a part of Bethesda Outreach for the majority of my life. I am so grateful for the family God has given me and the godly upbringing that they have worked to accomplish in my life. Now that I am moving towards the end of my university training, I am so grateful for the years that I have had with my siblings and all of the memories that we have made and shared together.

I serve in my church on the music teams by playing drums and keyboard and helping out wherever I can. When I am at home, I help with the cooking and various other chores as needed.

I have recently moved off property to live closer to where I am studying and am staying with another godly man who is passionate about mentoring young men like myself. I enjoy the challenges that my studies have brought and the information that I am learning in product & logo design as well as prototyping. I hope to be placed in a good job when I finish my studies in the next year or two.

I am excited for what God has for me in the future and will appreciate your prayers for me as I work to grow in my relationship with the Lord as well as maintaining my perseverance and focus on my studies. Many of you have prayed for me for many years and I want to say thank you for praying—it has made a difference in my life.

Please pray for R

- To grow in my relationship with God
- To focus on my studies
- To get a good job placement when I finish.
