

CHILD OF THE MONTH

FEBRUARY 2022 Z.A.

Z is 7 turning 8 this year. He is a typical active boy who is brimming with personality. He loves to play soccer, playing on the playground, helping in the kitchen and working outside in the garden. He has a great sense of humor which makes people laugh (and may or may not him into trouble on occasion). He is a loving, bubbly boy who enjoys helping his mom most of the time. He is doing fairly well in school and enjoys opening family devotion time in prayer.

You can pray that he will learn to obey quickly and with a good attitude and that he will come to know Jesus Christ as his Saviour at a young age.

CHILD OF THE MONTH

MARCH 2022 B.A.

B is 9 years old and interested in everything. He is also well known for his friendliness. You can usually find him outside playing with his friends, kicking a soccer ball around or finding something interesting to do. He enjoys reading and is doing fairly well in school. He is a relatively serious boy but has a big laugh when he finds something funny. He also has a good sense of humor. His mom says he is quite helpful and recently cleaned almost the entire house without being asked. You can pray that he will learn to share and put others before himself. He can also be a bit moody when he doesn't get his way. You can especially pray that he will come to know the Lord as his personal Saviour.
